

Mental Health and Addiction Treatment

for Musicians

SOUNDPATH[™]
RECOVERY

SOUNDPATH RECOVERY

SoundPath Recovery is a creative-based treatment program offered at Transformations at Mending Fences in Morriston, FL. It is a safe place where clients use the healing arts to develop a new perception in life.

During group therapy, clients develop communication, social, and emotional skills while strengthening their identity through self awareness and education.

Clients record songs, perform, learn how to channel their creativity, and express their emotions, free from judgment and expectations.
